Block and Season Has Concluded:

For those in AG1, AG2 and Developmental without a state cut or not participating in the Last Chance Splash, the block and summer season has concluded.

The winter season will begin September 2nd and registration will open September 1st. During the month of August, we will send out the winter practice and meet schedules as well as roster updates.

Enjoy your break and we will see you at the start of the winter season!

HUGE THANK YOU:

We would like to give a huge thank you to all those parents that donated drinks and food for the meet this past weekend. It takes a village to run a successful club and our village is amazing!

State Relays:

State relays will be announced Tuesday via email and at practice. Please remember that relays spots are based off the top 4 fastest times for freestyle and the fastest times in each event for the medley relays. Alternates are filled based off the next fastest.
