NEWS & NOTES

Welcome Back!

Our winter season will begin tomorrow, Sep 2nd. A practice schedule is attached to this newsletter with practice times.

Registration is Now Open:

Registration for the current season and current block is now open. If you plan to attend practice this week, please make sure to register as attendance will be taken.

If you have any questions, please reach out to Coach Darrick, Garrett or Dan either on deck after practice or via email.

Just a couple reminders when registering.

- Your account will be suspended upon the beginning of registration.
- Make sure you are logged out when trying to register on our site. The system will not let you register if you are logged in.

Group Placements:

Attached to this newsletter is a PDF of group placements. Please look over this to make sure you are aware of what group your child is in for registration.

This PDF will no longer be listed on the website so please use this as a reference or reach out to your group coach for roster information.

Open Evaluations This Wednesday:

We are having another round of open evaluations this Wednesday, Sep 3rd, from 6-7pm. If you know of anyone who could be interested in joining the team please pass along this information or have them reach out to Coach Garrett.

Winter Meet Schedule:

Going forward, we will always include a second page to this newsletter that will have all upcoming meets (including HS and MS) in order. As we finish each meet that meet will be removed from the list.

This should help you better prepare and plan well in advance for meets and cancelled practices.

New Quick Links Section:

To the left on this newsletter is a new quick links section. This section will have numerous one click links that will take you to important information on our website.

As we get closer to a meet a link to the meet page will be included as well. The meet page will have a list of current entries, and the meet letter with detailed information about potential arrival times and directions.
