WTSC Groundhog Entry:

The final Groundhog entry is attached to this newsletter. Please look over it to make sure you are aware of what your athlete is swimming. A itinerary will be sent on Thursday morning.

10&U must have their events written on their arms before arriving. Please note a heat sheet may not be sent before the meet. If this is the case just write their event, and event number on their arms.

Don't forget to mark swimmers' arm (no legs please) as illustrated, with event number, heat number, lane number and stroke.

Noblesville Duel Meet:

The Noblesville duel meet is open for registration. Please register for this if you are interested in attending. This will be held on Friday, Feb 7th. If you have any questions please reach out to your group coach.

Divisionals Open For Registration:

Lastly, the 2025 SCY Divisional meet is open for registration. This meet is only for those who have qualifying times. On the events page is an up to date eligibility report for you to see if your swimmer has achieved a cut.

If your swimmer has a cut, you MUST declare them for the meet, the coaching staff WILL NOT add swimmers to the meet. If you do not declare your swimmer, we will assume you are not going.

If you have any questions, please reach out to Coach Garrett.
