NEWS & NOTES

Schedule for Week:

The block has concluded for those in AG1, AG2 and Dev. Only those in AGA, Elite and Senior should be practicing. The next block will begin Monday, Feb 17th.

Due to a middle school meet on Thursday, Feb 13th, there will be no practice for AGA. Elite will practice 4-5:30pm, and Senior will practice 4-6pm.

Last Chance Splash:

The Last Chance Splash Time Trial is March 2nd. This meet is only for those swimmers close to Divisional or State cuts who are looking to get one last chance to achieve those cuts. Please reach out to your group coach if you would like to participate.

Divisionals Open For Registration:

The 2025 SCY Divisional meet is open for registration. This meet is only for those who have qualifying times. On the events page is an up-to-date eligibility report for you to see if your swimmer has achieved a cut.

If your swimmer has a cut, you **MUST** declare them for the meet, the coaching staff **WILL NOT** add swimmers to the meet. If you do not declare your swimmer, we will assume you are not going.

If you have any questions, please reach out to Coach Garrett.

Age Group and Senior State:

Both Senior and Age Group State are posted to our website. Coach Darrick and Coach Garrett will declare your swimmer for this meet if they have qualified. If you are not able to attend, please let them know.
